# Novices Lawn Bowls Tournament

We are absolutely delighted to be putting on this tournament for all novice players up to 3 years playing experience anywhere.

We want everyone to be able to 'thrive with bowls' no matter their experience. This tournament is a great way to gain more experience playing against other players in a fun format. With prize money and great competition all round it should be a very enjoyable day!

## The Kate Horler Trophy

The trophy is a little bit special too in memory of Kate Horler a member of West Backwell BC. Jerry, Kate's husband has donated this trophy in her memory. Both keen supporters of introducing bowls to as wide an audience as possible and supporting those of us at the beginning of our bowling journey.
